A rally and awareness programme were organized by the Eagle Club of Government Degree College, Kovvur, to create awareness about the harmful effects of drug abuse. NSS volunteers actively participated by carrying placards and spreading awareness messages in nearby areas. The main objective of the programme was to educate the public about the dangers of substance abuse.

As part of the awareness programme, speeches were delivered highlighting the serious consequences of drug addiction and its negative impact on individuals and society. Students gained valuable insights into prevention methods and the importance of maintaining healthy habits. The initiative effectively promoted awareness among the youth.

The event encouraged a drug-free lifestyle and motivated students to make responsible and informed choices. It also conveyed a strong social message to the community. The programme was graced by distinguished guests, including RDO Dr. Rani Sushmitha, the Excise Circle Inspector, MRO, and officials from the Police Department.
