**GOVERNMENT DEGREE COLLEGE,
KOVVURWESTGODAVARIDISTRICT**

From Principal's Desk

I am pleased to share the highlights of the vibrant activities and celebrations held at Government Degree College, Kovvur during the month of March 2024. The campus witnessed enthusiastic participation from students and staff in various academic, cultural, and awareness programs. Significant events included International Women's Day celebrations, seminars on student development and social awareness, and co-curricular competitions that nurtured talent and creativity. These initiatives not only enriched the academic environment but also fostered values of inclusivity, responsibility, and holistic growth among students. I appreciate the dedicated efforts of faculty and the active involvement of students in making these events successful. month are as follows: Internaetional Womens Day, Academic Audit Team, Pi Day, Say No to Plastic, Skill Hub activities.

News events

8-03-2025 Internationaional Womens Day

On 8th March 2025, Government Degree College, Kovvur celebrated a special occasion with great enthusiasm, where the Principal and all staff members actively participated. The event was marked by a sense of unity and appreciation, as the staff members came together to felicitate the Principal in recognition of their leadership, guidance, and dedicated service to the institution. The program highlighted the strong bond between the administration and faculty, reflecting mutual respect and teamwork. The celebration created a positive and inspiring atmosphere, leaving everyone motivated to continue their efforts towards the growth and success of the college.

13-03-2025 Academic Audit Team

On 13th March 2025, an Academic Audit Team visited Government Degree College, Kovvur to conduct a comprehensive review of the institution's academic processes and standards. The visit aimed to assess the quality of teaching, curriculum implementation, student performance, and overall institutional practices. The Principal, along with all the staff members, actively participated in the audit process by presenting relevant records and sharing insights into the college's academic activities. The team interacted with faculty and students, offering valuable suggestions for further improvement. The visit proved to be a constructive exercise, helping the institution strengthen its academic framework and enhance the quality of education.

14-03-2025 Pi Day

Pi Day was celebrated with great enthusiasm at Government Degree College, Kovvur, on March 14th. The program aimed to create awareness about the importance of mathematics, especially the value of Pi (3.14), among students. The Principal, staff, and students actively participated in the event. Various activities such as quiz competitions, poster presentations, and mathematical games were organized to make learning engaging and enjoyable. Students showcased their creativity and knowledge by presenting charts and explaining the significance of Pi in real-life applications. The faculty members encouraged students to develop analytical and problem-solving skills. The celebration concluded with the distribution of prizes to the winners, motivating students to take a greater interest in mathematics. The event was both informative and inspiring, leaving a positive impact on all participants.

15-03-2025 Say No to Plastic

As part of the Swachh Andhra–Swarnandhra Programme (Part–II), a “Say No to Plastic” campaign was organized at Government Degree College, Kovvur under the leadership of the NSS Unit, with active participation from various departments. The programme aimed to create awareness about the harmful effects of plastic usage on the environment and to encourage sustainable alternatives. Faculty members, NSS volunteers, and students took part enthusiastically in activities such as awareness rallies, pledge-taking, and interactive sessions on eco-friendly practices. The programme emphasized the importance of reducing single-use plastics and adopting responsible habits for a cleaner and greener society.

20-03-2025 Skill Hub activities.

As a part of the Skill Hub activities, the Principal of Government Degree College, Kovvur took an active role in guiding and motivating students towards skill development and career readiness. The program was organized with the aim of enhancing practical knowledge, employability skills, and overall personality development of the students. During the session, the Principal emphasized the importance of acquiring industry-relevant skills along with academic learning to meet the demands of the modern job market. Faculty members and students actively participated in the activity, making it an engaging and informative session. The initiative reflects the institution's commitment to empowering students with essential skills for their future growth and success.

Thank
you
