## From the Principal's Desk

With a great feeling of privilege and pleasure, I would like to introduce Government Degree College, Kovvur, as a budding institution with a great future in the field of learning. The town Kovvuru, traditionally called 'Govuru' or 'GoshpadaKshetram', has been an acclaimed seat of learning in Vedic studies and Sanskrit for centuries.

The college was established in 2019 with four programmes – BA, B.Com Gen, B.Sc. MPC and B.Sc. BZC in the campus of Government Junior College (Boys), Kovvur. With the initiative and relentless efforts of Hon'ble Minister for Women & Child Welfare, Smt. TanetiVanitha, and the Hon'ble Member of Parliament, Sri Margani Bharat, the College laid its first steps towards a promising future.

The admissions for academic years 2019-20 and 2020-21 have been encouraging and the results of the first batch have been promising. GDC Kovvur is on the way to acquire its own land (4.48 acres) sanctioned by Hon'ble Home Minister Smt. TanetiVanitha for the construction of the College building. The Government has sanctioned 24 Teaching posts and 14 Non-Teaching posts filled on permanent basis.

I strongly believe that the college will flourish as a proud institution of higher learning, moulding students into knowledgeable, skillful, and responsible citizens. On behalf of all our faculty members, non-teaching staff, and students, I thank all the stakeholders for their dedicated support and encouragement.

**— Prof. J. Suneetha, Principal**

## Student First Motto

At Government Degree College, Kovvur, the guiding principle 'Student First' reflects an unwavering commitment to the holistic development and well-being of every learner. The institution strives to create an inclusive and supportive environment where students are empowered to achieve academic excellence, develop critical thinking, and build strong moral values.

In line with the 'Student First' motto, the college actively organizes a wide range of academic and co-curricular activities. Regular seminars, workshops, and guest lectures are conducted to enhance subject knowledge. Cultural events, sports competitions, and literary activities provide platforms for students to showcase their talents. Career guidance sessions, skill development programs, and placement drives further support students in shaping their future.

## Online Admissions Campaign

Online Admissions Campaign for the academic year 2025 brought a vibrant campus experience to prospective students. GDC Kovvur bridged the gap between ambition and opportunity through immersive virtual tours, live interactive sessions with faculty, and AI-driven personalized counseling. Embracing a seamless, paperless process, students were encouraged to explore cutting-edge programs and apply from the comfort of their homes.

## Group Discussion

A Group Discussion (GD) is a structured conversation where a small group shares ideas, opinions, and arguments on a specific topic to reach a deeper understanding or solution, assessing communication, critical thinking, and teamwork skills. Unlike a debate, it is a cooperative process focused on collective insight rather than winning, often used in educational and recruitment settings.

## July 19th — Ending Plastic Pollution Awareness Programme

On 19th July 2025, Government Degree College, Kovvur, organized an awareness programme and workshop on “Ending Plastic Pollution” as part of the Swachandhra Swarnandhra initiative. The event aimed to educate students and the local community about the harmful effects of plastic on the environment and health. Experts and environmental activists addressed the gathering, emphasizing the urgent need to reduce, reuse, and recycle plastic to protect natural ecosystems. The workshop included interactive sessions, demonstrations on sustainable alternatives to plastic, and student-led presentations. NSS volunteers actively participated in a campus cleanup drive and distributed pamphlets promoting plastic-free lifestyles. The programme successfully raised awareness and encouraged eco-friendly practices, reinforcing the college’s commitment to building a cleaner, greener Andhra Pradesh.
